

November 15, 16 & 17, 2018

TAKING IT TO THE NEXT LEVEL SERGER EVENT!

With Designer / Machine Expert, Karen C. Clancy

THREE FULL DAYS of technique, fun & projects

Once you have a comfort level with the serger, its time to learn how to apply what you've learned and put your serger to use! In these workshops you'll creating a variety of fun & whimsical projects designed just for the serger! Discover a combination of the practical, creative AND more "out of the box" uses for this amazing tool, along with many of the available feet & accessories. As you learn and create using some of the multitude of available stitch options, techniques, threads, optional feet & accessories, you will find yourself thinking of other ways to apply your new found skills! *Join Karen for 1, 2 or all 3 workshops!*

DAY 1: Getting Creative

Enhance and expand your creative serging Skills while crafting TWO functional projects! They each combine fabrics in a bright Autumn color palette with all purpose and decorative threads. You will use several presser feet, Attachments and incorporate traditional and inventive techniques for using your serger!

- **Pocketed Placemat & Napkin Set**
- **Fun, Whimsical Pillow Cover**

DAY 2: Discover Piecing & Quilting

Apply speed and accuracy to your pieced & quilted projects. This fun seasonal table runner will help you master ¼" seams & perfect match points in no time. It features both ¼ & ½ square triangles, straight seams and curves too! You will use different stitch options, decorative threads and learn how to apply your binding using Karen's "Down & Dirty" way with mitered corners!

- **Seasonal Table Runner, Topper or Wall Hanging** (2 color kits to select from)

DAY 3: Fabulous Fashion – Serge Three Complete ¼ + scale garments and a variety of detailed samples – pockets, hem options & edge finishes, ruffles, bindings, closures & more than a few designer details! A variety of presser feet, accessories & sewing will be explored.

Master consistent seam allowances ◦ Crisp sharp corners with the rolled hem ◦ Quilt on the Serger ◦ Create 'micro'-piping ◦ Pretty prairie point accents ◦ When & Where to use the serger ◦ What to REALLY do with belt looping ◦ Discover speedy strip piecing ◦ Discover lots of Serging Shortcuts ◦ Work with a variety of thread weights ◦ Apply binding with mitered corners ◦ Eliminate wavy stretched out hems or seams ◦ Facings ◦ Reduce Bulk
Use 3/4 Thread Overlock, Wave, Flatlock, Chain & Cover Stitches ◦ AND much more!
